Downtown Flowerpots

President Jorgenson reported the bank balance on hand for the downtown flowerpot project is only \$98.41. Planting of the flowers and maintenance for the season totals over \$1,500, and the Association does not have the funding to move forward with the annual project this year. In addition, the flowers need to be watered on weekends and holidays. Presently, the Village Public Works Department waters the flowers Monday through Friday. The membership discussed and offered various donations. It was decided if enough funds become available, the WSBA will plan to move forward with the project.

Presentation of Awards

President Jorgenson presented the Citizen of the Year Award to West Salem School Superintendent Ryan Rieber, and the Business of the Year award to 3RT Networks.

Motion by Denise Jones, seconded by Jim Anderson to adjourn the meeting at 12:48 p.m.
