1st Community Credit Union is pleased to announce that Liza Schlintz has been promoted to the position of Member Business Loan Officer.

Hi, I'm Liza! Making loans is my job, but helping people is my passion. When I sit with members and business owners I love the conversations that lead to a strong and trusting working relationship. Here's a little about me: I've lived in the Coulee Region my entire life and have been in lending for 10 years. As a kid I raked hay with my Grandpa's Ferguson TO-35 in Bells Coulee, as a teen I would lock up my Mom's storefront at night on Water Street, and now when I'm not having great conversations with local farmers and business owners at the credit union, I farm in Adam's Valley with my husband and 2 young kids (they are the 5th generation on our ALMOST century farm). I enjoy camping on sandbars on the Black River and fishing for bass in the Boundary Waters. I have a General Management & Technology degree from the University of Wisconsin-La Crosse.

I'm proud to be your local lender for Commercial and Agricultural loans and I would love to have a chance to get to know you and hear your goals and your vision for growing your business. I'm dedicated to providing you with the products, services, and loan options that fit all of your needs.

Lending is about helping people - and I'm looking forward to helping you. Please feel free to call or email me to set an appointment to meet. I work out of all three offices (Sparta, West Salem, and Tomah) for your convenience but I can also arrange to meet you on location if that works best for you. Let's start a conversation that helps your business thrive!
