I am the Panther Portfolio Coordinator at WSHS. Our longstanding Senior Exit Project (SEP) has been rebranded as the [Panther Portfolio](#) to better align with Career, College, and Life Readiness (CCLR) indicators.

As part of their portfolio, students (beginning with the Class of 2024) will need to volunteer for at least two hours and complete at least a three-hour job shadow experience. We've developed this [survey](#) to share with the West Salem and surrounding communities to create a student-accessible database of volunteer and job shadow opportunities.

Please take the survey and feel free to share with your contacts.

Please let me know if you have any questions.

Thank you.
